

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

\* \* \*

JoAnne Logeman,

Plaintiff,

v.

Commissioner Of Social Security,

Defendant.

Case No. 2:22-cv-01399-BNW

**ORDER**

Presently before the Court is Plaintiff JoAnne Logeman's application to proceed *in forma pauperis* (ECF No. 1).

**I. In Forma Pauperis Application**

Plaintiff submitted the declaration required by 28 U.S.C. § 1915(a) showing an inability to prepay fees and costs or give security for them. ECF No. 1. Accordingly, Plaintiff's request to proceed *in forma pauperis* will be granted.

**II. Screening the Complaint**

Upon granting a request to proceed *in forma pauperis*, a court must screen the complaint under 28 U.S.C. § 1915(e)(2). In screening the complaint, a court must identify cognizable claims and dismiss claims that are frivolous, malicious, fail to state a claim on which relief may be granted, or seek monetary relief from a defendant who is immune from such relief. 28 U.S.C. § 1915(e)(2). Dismissal for failure to state a claim under § 1915(e)(2) incorporates the standard for failure to state a claim under Federal Rule of Civil Procedure 12(b)(6). *Watison v. Carter*, 668 F.3d 1108, 1112 (9th Cir. 2012).

To survive § 1915 review, a complaint must "contain sufficient factual matter, accepted as true, to state a claim to relief that is plausible on its face." *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (citation and internal quotation marks omitted). In considering whether the complaint is sufficient to state a claim, all allegations of material fact are taken as true and construed in the light most favorable to the plaintiff. *Wylers Summit P'ship v. Turner Broad. Sys. Inc.*, 135 F.3d

1 658, 661 (9th Cir. 1998) (citation omitted). Although the standard under Rule 12(b)(6) does not  
2 require detailed factual allegations, a plaintiff must provide more than mere labels and  
3 conclusions. *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007). A formulaic recitation of  
4 the elements of a cause of action is insufficient. *Id.* Unless it is clear the complaint's deficiencies  
5 could not be cured through amendment, a plaintiff should be given leave to amend the complaint  
6 with notice regarding the complaint's deficiencies. *Cato v. United States*, 70 F.3d 1103, 1106 (9th  
7 Cir. 1995).

8       If a plaintiff's complaint challenges a decision by the Social Security Administration  
9 ("SSA"), before filing a lawsuit, the plaintiff must exhaust administrative remedies. *See* 42 U.S.C.  
10 § 405(g); *see also Bass v. Social Sec. Admin.*, 872 F.2d 832, 833 (9th Cir. 1989) (per curiam)  
11 ("Section 405(g) provides that a civil action may be brought only after (1) the claimant has been  
12 party to a hearing held by the Secretary, and (2) the Secretary has made a final decision on the  
13 claim"). Generally, if the SSA denies a claimant's application for disability benefits, the claimant  
14 may request reconsideration of the decision. If the claim is denied at the reconsideration level, a  
15 claimant may request a hearing before an administrative law judge ("ALJ"). If the ALJ denies the  
16 claim, a claimant may request review of the decision by the Appeals Council. If the Appeals  
17 Council declines to review the ALJ's decision, a claimant may then request judicial review. *See*  
18 *generally* 20 C.F.R. §§ 404, 416.

19       Once a plaintiff has exhausted administrative remedies, she may obtain judicial review of  
20 a SSA decision denying benefits by filing suit within 60 days after notice of a final decision. *Id.*  
21 An action for judicial review of a determination by the SSA must be brought "in the district court  
22 of the United States for the judicial district in which the plaintiff resides." *Id.* The complaint  
23 should state the nature of plaintiff's disability, when plaintiff claims she became disabled, and  
24 when and how she exhausted her administrative remedies. The complaint should also contain a  
25 plain, short, and concise statement identifying the nature of plaintiff's disagreement with the  
26 determination made by the Social Security Administration and show that plaintiff is entitled to  
27 relief. A district court can affirm, modify, reverse, or remand a decision if plaintiff has exhausted  
28 her administrative remedies and timely filed a civil action. However, judicial review of the

1 Commissioner's decision to deny benefits is limited to determining: (a) whether there is  
2 substantial evidence in the record as a whole to support the findings of the Commissioner; and (b)  
3 whether the correct legal standards were applied. *Morgan v. Commissioner of the Social Security*  
4 *Adm.*, 169 F.3d 595, 599 (9th Cir. 1999).

5 Here, Plaintiff alleges that on July 5, 2022, the Appeals Council denied her request for  
6 review, and, at that time, the ALJ's decision became the final decision of the Commissioner. ECF  
7 No. 1-1 at 2. Thus, it appears Plaintiff exhausted her administrative remedies. *See id.*  
8 Additionally, Plaintiff's complaint includes sufficient facts to state a claim for relief.

9 Based on the foregoing, **IT IS ORDERED** that:

10 1. Plaintiff's request to proceed *in forma pauperis* (ECF No. 1) is  
11 GRANTED. Plaintiff will not be required to pay the filing fee of \$402.00.

12 2. Plaintiff is permitted to maintain this action to conclusion without the  
13 necessity of prepayment of any additional fees or costs or giving security for them. This Order  
14 granting leave to proceed *in forma pauperis* does not extend to the issuance of subpoenas at the  
15 government's expense.

16 3. The Clerk of Court must file the Complaint (ECF No. 1-1).

17 4. The Clerk of the Court must serve the Commissioner of the Social Security  
18 Administration by sending a copy of the summons and Complaint by certified mail to: (1) Office  
19 of Regional Chief Counsel, Region IX, Social Security Administration, 160 Spear St., Suite 899,  
20 San Francisco, California 94105-1545; and (2) the Attorney General of the United States,  
21 Department of Justice, 950 Pennsylvania Avenue, N.W., Room 4400, Washington, D.C. 20530.

22 5. The Clerk of Court must issue summons to the United States Attorney for  
23 the District of Nevada and deliver the summons and Complaint to the U.S. Marshal for service.

24 6. From this point forward, Plaintiff must serve on Defendant or, if  
25 appearance has been entered by an attorney, on the attorney, a copy of every pleading, motion, or  
26 other document submitted for consideration by the Court. Plaintiff must include with the original  
27 paper submitted for filing a certificate stating the date that a true and correct copy of the  
28 document was personally served or sent by mail to the Defendant or counsel for the Defendant.

1 The Court may disregard any paper received by a District Judge or Magistrate Judge that has not  
2 been filed with the Clerk, and any paper received by a District Judge, Magistrate Judge, or the  
3 Clerk that fails to include a certificate of service.

4  
5 DATED: September 12, 2022.
